**Always In Style.****CLIFTON B. ROSS****AMERICAN FEDERATION OF LABOR IN SESSION**

Opening Session is Turned Into Insurgent Rally and Name of Cannon is Greeted With Jeers.

ST. LOUIS, Nov. 16.—The thirteenth annual convention of the American Federation of Labor began here Monday and will continue for two weeks. The morning session was devoted to welcoming the delegates and honorary guests, some of them from England.

The afternoon session was devoted to reports of the president, Samuel Gompers; the secretary, Frank Morrison, and the treasurer, John B. Lennon.

An elaborate entertainment programme has been provided for the delegates. They will not be required to pay street car fare while enroute to the meeting place in the residence

district of the city. Meals are to be served in a hall adjoining the convention room so that the delegates will not lose time away from the convention.

The opening session was turned into an insurgent political rally by Owen Miller, president of the Missouri Federation of Labor. Jeers greeted the name of Joseph G. Cannon, and loud applause welcome the name of Champ Clark.

"The labor movement is greater than any party platform," said President Gompers in responding to the addresses of welcome, "because it is governed by a principle as true as nature itself and because it expresses the discontent of the masses."

**PHOEBE'S ROMANCE****IN QUALITY STREET**

New College Play, Under Above Title is Progressing Nicely and Will Be Put on Soon.

The new college play "Phoebe's Romance in Quality Street," is progressing nicely. The old members of the cast are playing with better spirit and appreciation than ever before and the new members are going into the work with great zeal and marked success.

The play tells a very pretty story of human heart interest. The time is that of the Napoleonic wars. The situations are quaint and full of interest and all are extremely funny. The rehearsals are going with such dash and excellence that the play will be staged immediately after Thanksgiving. The settings will be appropriate to the time and occasion and something very unique will be seen in the way of costuming.

This play promises to exceed the standard set by those of last year and the year before. It will be entirely by local talent and will not depend upon the burlesque element for its success. It is a production of real worth and will be acted in a manner equal to that of many of the so-called professional companies that are seen on the smaller circuits.

In Case of a Rush.  
Prospective Tenant—No, I'm afraid this flat would be too small. I might want to grow a beard.—Life.

**PRICES ARE ON THE DECLINE**

Within Last Week Price of Beef Has Been Reduced Five Cents a Pound By Meat Packers.

CHICAGO, Ill., Nov. 16.—The prices of beef and pork are falling. Within the last week the price of beef has been reduced five cents a pound by the meat packers.

The price of pork has declined about three cents from the price of 18 and 20 cents a week ago, and wholesale meat dealers say that mutton, veal and other products of the packing houses will take a downward turn within the next few days.

"Prices of the first grades of beef have been falling for about a week," said Frank A. Froehling. "They didn't go off all at once, but the packing houses have been coming down about half a cent at a time until now the price for prime beef is between four and five cents lower than it was last week at this time, and that of the best grades of pork is from two to three cents lower. This applies, of course, to the fine roast beef and steaks, for the ordinary quality has not fallen off and I do not think it will."

**FALSE RUMOR IS CORRECTED**

No Truth in Statement That Jake Noble, Slayer of Wesley Turner, Had Been Arrested.

JACKSON, Ky., Nov. 16.—There is no truth in the report sent out Monday that Jake Noble had been killed while resisting arrest in Knott county. Noble is still at large and has neither been seen nor heard of by the officers since the night he killed Jailer Wesley Turner.

Rumors have been current here daily for nearly a week to the effect that Jake had died with his boots on, but investigation proved that there was no foundation for any of the stories.

Wesley Turner, Sr., was Monday appointed Jailer of Breathitt county by County Judge J. Wise Hagins to fill the vacancy caused by the death of Jailer J. Wesley Turner, Jr., who was killed by Noble on the night of the election. The newly-appointed Jailer is the father of the late Jailer and is 80 years of age.

Another canon was reported from Salyersville, Magoffin county, to the effect that Jake Noble came near being arrested there about dark by several men who had been following him for several days. Noble, according to the report, was eating supper at the house of a man named Arnett, when his pursuers arrived, and were told by Arnett's daughter that a strange man was stopping there. The story went on to say that two of the men were killed and Noble seriously injured, but made his escape. Communication with Salyersville by telephone proved the falsity of the story.

**FALLING HAIR**

EASY TO STOP IT AND MAKE IT LUSTROUS AND BEAUTIFUL.

If your hair is falling out; if you have dull unattractive hair, or if you need a daily hair dressing, read what Mrs. Hettie Hodgman, of Nelsonville, Erie County, Ohio, writes June 3, 1910 about Parisian Sage:

"I used Parisian Sage for falling hair and find it the finest thing I ever heard of. My hair was falling out by combs full, and I could run my fingers through it and they would hang full of loose hair. I washed my hair and got a bottle of Parisian Sage and used two applications, and I could see a great difference. My hair was lustrous and nice and had almost stopped falling out, and by the use of one more bottle it stopped altogether."

For women, for men or for children Parisian Sage is without any doubt the finest preparation for the hair. It is guaranteed by Phillips to stop hair from falling; to eradicate dandruff and stop itching scalp in two weeks, or money back. It is a most daintily perfumed and refreshing hair dressing, free from grease or stickiness, and ought to be in every home where every member of the family could use it daily. Large bottle 50 cents at Phillips and druggists everywhere. The girl with the Auburn hair is on every package.

**BASKET BALL SEASON OPENS**

First Game Will Be Played at College Gymnasium on Monday Night Between Picked Teams.

The first ladies' basket ball game of the season will be played at the College Gymnasium next Monday night when two picked teams of the college girls will play. The material at the college this year is unusually strong and with the hard work that the girls are putting in and with careful coaching, they will undoubtedly put up an article of basketball that will make the other teams of the State hush.

A splendid schedule is being arranged. It will include games on the local floor with the leading ladies' teams of Kentucky and also includes a number of good trips.
